Agents Information

As an agent for Framed Wedding Flowers we offer you a unique way of extending your profits in the wedding industry after the wedding day. On becoming an agent you will receive your agent's kit, consisting of:

- ✓ 2 dried and framed wedding bouquet sample frames.
- ✓ The frame selection samples
- ✓ The background colour selection sample

If you are interested in offering this service to your customers and would like a price list, or if you would just like further information please [E mail](mailto:info@framedweddingflowers.com) or call us.

We prefer to only open one agency in an area and we would offer this opportunity to your business exclusively.

Lasting memories of your special Day
